

CHAMPIONS OF RACING

## CHAMPIONS OF RACING

The premium documentaries of the rich history of thoroughbred racing, Champions of Racing is the series that gallops around the world with stories of the memorable characters – thoroughbred and human – who have taken horse racing outside of its sphere and into the hearts of all sports lovers.

Heroes of the recent past, like 19-in-a-row wonder mare a in the US, the Derby and Arc champion Sea The Stars in Europe and the widely traveled Dubai World Cup winner Gloria De Campeao will be just some of the outstanding gallopers profiled. And on every continent in every racing region, we'll tell the story of racing's champion jockeys - the rise of Ryan Moore, the endurance of Mike Smith, the flair of Dettori, Soumillon, Lemaire and Borel.

With historic moments and races that boast histories rivaled by few other sports, Champions of Racing presents unique stories of triumph, emotion, controversy and glamour in a series that engages a broad audience beyond followers of the sport itself.
