## NUTS

Just when you thought you'd seen it all...

We don't know why they do it, but they do, and the results will have you laughing out loud. It's incredible the lengths people will go to in the pursuit of fame, notoriety or to etch their name in the record books for unparalleled achievement!

NUTS stands as a testament to the achievement (and often tragic under-achievement) of the many brave characters who perform, and often fail miserably at, the most unusual tasks. They are the craziest and most daring sportspeople on the planet; attempting some of the most spectacular stunts and ridiculous antics ... they are NUTS!

Here in one series you will find the funniest, the wackiest and the most outrageous displays of sporting insanity ever captured on video. Viewers can't resist unusual television that celebrates the misfortunes of others and NUTS is a series that never disappoints!

It's timeless, its ageless, its proven comedy gold ... it is NUTS!
